Support agreement

Between Lanternfield and Fernquill Ltd · Reference SA-2026-031

Lanternfield gives Fernquill Ltd priority support for the Lanternfield toolkit it uses in production, on the terms below.

1. **Scope.** Support covers the Lanternfield toolkit and its server, in the versions Lanternfield still maintains. It doesn't cover changes to the customer's own code.
2. **Response times.** Lanternfield answers an issue that stops production within one working day, and any other issue within three working days.
3. **Term.** The agreement runs for twelve months from 1 November 2026. It renews each year unless either side ends it in writing with 30 days' notice.
4. **Price.** $1,440 a year, invoiced in advance and due within 30 days.
5. **Confidentiality.** Both sides keep what they learn about each other's systems to themselves, during the agreement and after it ends.
